

OFFICE MEMORANDUM

DATE: July 24, 1998

TO: Region Engineers
Region Associate Delivery Engineers
Region Construction Engineers
TSC Managers
Resident/Project Engineers

REVISED

FROM: C. Thomas Maki
Chief Operations Officer

Gary D. Taylor
Chief Engineer/Deputy Director
Bureau of Highway Technical Services

**SUBJECT: REVISED BUREAU OF HIGHWAY INSTRUCTIONAL MEMORANDUM
1998-3; Standard Plan R-80-B (Special Detail) and IV-80F (Special Detail)**

Bureau of Highway Instructional Memorandum 1998-3, Standard Plan R-80B (Special Detail) and IV-80F (Special Detail) dated June 19, 1998, is revised as follows:

The attached Standard Plans (Special Details) R-80B or IV-80F shall be included in all projects, where applicable, let after July 24, 1998. Also, for projects let after July 24, 1998, where the latest Standard Plan/Special Detail is included, there will be **no** exceptions permitted to the allowed options for outlet ending treatments (Steel End Section, Concrete Ring, and Concrete End Section) indicated on sheets 7 of 8 and 8 of 8 of the Standard Plan (Special Detail).

Finally, all dimensions, details, and notes indicated in the Standard Plan (Special Detail) shall be strictly enforced.

Chief Operations Officer

Chief Engineer/Deputy Director
